Thank you, parents, for trusting us with being part of your child's educational journey. We are so lucky to have an amazing learning community. Also, a big thanks to our teachers who support our learning community with personalized learning plans and hosting amazing learning days.

We are excited to celebrate our graduates of vLearn on June 17th. Congratulations to our graduates as they embark on their next journey. Exciting times ahead!

I am looking forward to the elementary learning showcase. Our students put on such a fantastic display. I hope to see you all out celebrating their learning.

FROM THE PAC

WE NEED YOU!!

The vLearn Parent Advisory Council had an Annual General Meeting on May 29th. We have some parents moving on and some executive positions that have become vacant. We need to have a President, a Secretary and a Treasurer in order to apply for the Community Gaming Grant from the Provincial government. We use these funds to organize activities and lessons such as the well-loved Home School Sports Program (gym time), skating lessons, drama class, immersive activities at the VPAG,...the list goes on. Currently we only have a President, a DPAC representative and a Fundraising Lead. We meet once a month in person, and occasionally over zoom. vLearn is one of the smallest schools in the district, and therefore, the council workload is manageable, making your time commitment as an executive member workable in a busy parenting life. Among other things, we have fun, support each other, and attend to the current needs and issues of our parent community. Please consider joining us!
