PRINCIPAL'S MESSAGE

Greetings vLearn families! Time continues to fly by. This winter has been quite the ride with the weather. With the current temperatures I feel like this should be the March Newsletter. This week marks the beginning of semester 2 for our high school students and halfway through the school year for our elementary students. This is a good time for our secondary students to check on their progress to be on track to complete all courses by June. Please connect with your teachers if you need classes added to your profile or reach out if you need support getting back on track. We're here to help!

ONLINE LEARNING SURVEY

We are requesting that ALL families take the time to complete the Online Learning Survey.

The Online Learning Survey is a key data component of the Accountability and Quality Assurance Process for Online Learning Schools and is the only source of province-wide information about student's online learning experiences. Your participation is an important contribution to understanding and improving the online learning educational experiences of students across the province.

Online Learning Survey <https://www.awinfosys.com/survey3/dlsurvey/main>

The survey is open until **February 13th**, so please take time to complete as soon as you can. Your survey responses are anonymous.
